

Padilla Family Home Dedication in Concord

"Community starts with HOME"

When: March 20th, 10am

Where: 2742 Bonifacio Street, Concord, CA

RSVP: www.HabitatEB.org/RSVP

It takes a community to build a community. This Concord home was bequeathed to Habitat East Bay by Clarice Garrison, a long-time Habitat supporter, because she believed that *HOME* is the foundation for a stronger family and stronger community.

The Habitat East Bay All Women's Crew has helped make Clarice's dream a reality by investing their time, resources and hard work to transform this home into a homeownership opportunity for the Padilla family. Join us for the celebration!

STREET PARKING IS LIMITED: Guests are encouraged to park at Baldwin Park off of Bonifacio Street. Turn left at Beach St. to enter.
